How can I love you How can I love you How can I love you How can I love you

Em

If you just donâ€™t talk to me, babe.

I flow through my act

The question is she needed

And decide all the man I can ever be.

Looking at the last 3 years like I did,

I could never see us ending like this.

(Do you Know?)

Seeing your face no more on my pillow

Is a scene thatâ€™s never ever happened to me.

(Do you know?)

But after this episode I donâ€™t see, you could never tell the next thing life
could be

Play Chorus till the end...
