Yeah, can I get love, too much to ask for
Really so tough, fight yourself, move away
Way to sex in the drums
Got my hands full, grabbing on skirt, skirts
Hands up, hands up, just flo chilling with ho two cups
Can t stop spilling, cause i m drunk as f-ck
And my song comes on, and the club goes nuts
Everytime the side goes, seems to ya sleep, best to ya know
Running around, and doing all these shows
Round the whole globe, and come, and you go girl
Ain t it need to think of it
Just wrap for the night, baby live a bit
With a place to hit, and your plans to see
You can make a scene and party, are you into it
