

Heartbreaker

Enrique Iglesias

Its always the same cycle: **Bm, G, Em, A**

Bm **G**
There s a line, that you cross,
Em **A** **Bm-G**
When you ve lost, someone and you can t accept it
Em **A**
Oh no, oh-oh

Bm **G** **Em**
There s a space, in between, a denial
A **Bm** **G**
Knowing that I can t erase it,
Em **A**
Can t face it, no

Bm **G** **Em** **A**
She ll never be the one who s gonna find themselves alone, no oh
Bm **G** **Em** **A**
She ll never be the one you better discuss of what you ve done, no oh

Bm **G**
You re a heartbreaker, breaker
Em **A** **Bm** **G**
Tell me now, why the hell you gotta be a heart breaker, breaker
Em **A** **Bm** **G** **Em** **A**
Leave me now, why the hell you gotta be a heartbreaker

Bm **G**
Over walls, come down
Em **A** **Bm** **G**
In the end, nothing ever lasts forever
Em **A**
Oh no, hey

Bm **G** **Em**
There s a light up ahead, I know I give in
A **Bm** **G**
this take can only make me stronger
Em **A**
Make me stronger, yeah

Bm **G** **Em** **A**
She ll never be the one who s gonna find themselves alone, no oh
Bm **G** **Em** **A**
She ll never be the one you better discuss of what you ve done, no oh

Bm **G**
You re a heartbreaker, breaker

Em **A** **Bm** **G**
Tell me now, why the hell you gotta be a heart breaker, breaker

Em **A** **Bm** **G** **Em** **A**
Leave me now, why the hell you gotta be a heartbreaker

Dedicated to Cris, my little heartbreaker...
