(Same Pattern Throughout the song, including pitbull part)

Girl please excuse me
If I m misbehaving, oh
I m trying keep my hands off
But you re begging me for more
Round round round
Give a low low low
Let the time time pass
Cause we re never getting old

No one can do it better
Turn around I ll give you more

Shout it out, scream it loud
Let me hear you go

[Chorus]

Baby I like it
The way you move on the floor
Baby I like it
Come on and give me some more
Oh yes I like it
Screaming like never before
Baby I like it
I, I, I like it.

Don t stop baby, don t stop baby
Just keep on shaking along
I won t stop baby, won t stop baby
Until you get enough
