Verse 1:

**Am**                    **Dm**                    **C**                    **E Am**  
You like to think, that you're the only one who understands my needs.  
**Am**                    **Dm**                    **C**                    **E Am**  
And you tell everyone that I can't live without you even for one day.  
**Am**                    **Dm**                    **C**                    **E Am**  
But who gives you the right to talk about the way I feel so deep inside.

Bridge:

**Am**  
Now I realise  
**Dm**  
You were never mine  
**C**  
We were never right baby you will find

Chorus:

**Am**  
I will survive  
**Dm**  
I'm gonna make it through  
**C**  
Just give me time

I will get over you  
**Am**  
I will survive  
**Dm**  
No matter what you do
