Baby don t you know I don t care
Don t you know that I ve been there
Well if something in the air feels a little unkind

Don t worry darling, it ll slip your mind
I know you think you d never be mine
Well that s okay, baby, I don t mind
That shy smile s sweet, that s a fact
Go ahead, I don t mind the act
Here you come all dressed up for a date
Well one more step and it ll be too late
Blue blue ribbon in your hair
Like you re so sure I ll be standing there
