

**Taking Back My Love**  
**Enrique Iglesias**

Just use these chords

**F#m D A E**

Through whole song

Go ahead Just leave  
Can't hold you, you're free  
You take all these things  
If they mean so much to you  
I gave you your dreams  
Cause you ment the world  
So did I deserve to be left in hurt  
Sou think I don't know  
You're out of control  
And then I find all this from my boys  
Girl you said i'm cold  
You saving souls  
You're already know i'm not a touching material

CHORUS:

I give it all up, but i'm taking back my love,  
I'm taking back my love,  
Im taking back my love,  
I've giving you too much,  
But i'm taking back my love,  
Im taking back my love, my love, my love, my love, my love

CIARA:

what did I do?  
But give up to you  
I'm just confused  
As I stand here look at you  
From head to feet  
Always about me  
Go ahead keep your keys  
Its not what i need from you  
You think that's enough
