Why Not Me
Enrique Iglesias
Hey Guys! I m new here! And this is my first tab ever!
Well.. first tab to write on my own.. and figuring out the song!
I figured out the intro a bit..
But I need some more time..
Enjoy the rest!
And rate it best if it s the right one on your guitar and also helps you! :)
ciao!
[Verse 1]
C
                    Am
Escaping nights without you with shadows on the wall
My mind is running wild tryin hard not to fall
                        \mathbf{Am}
You told me that you love me but say I'm just a friend
my heart is broken up into pieces
Cos i know i'll never free my soul
it's trapped between true love and being alone
                   C
When my eyes are closed the greatest story told
I woke and my dreams are shattered here on the floor
[Chorus]
                    G
Why oh why tell me why not me
Why oh why we were meant to be
Baby i know i could be all you need
Why oh why oh why
         C
I wanna love you
```

if you only knew how much i love you

F

So why not me

[Verse 2] {repeat the same chords as above!}

The day after tomorrow I'll still be around

To catch you when you fall and ever let you down
you say that we're forever our love will never end
I've tried to come up but it's drowning me to know
you'll never feel my soul
It's trapped between true love and being alone
when my eyes are closed the greatest story told
i woke and my dreams are shattered here on the floor

[Chorus repeated]

C G

You won't ever know

Am F

How far we can go

Why oh why tell me why not me why oh why we were meant to be Baby I know I could be all you need Why oh why oh why
