

**Down With The Ship**  
**Enter the Haggis**

A D A  
Like ships in a squall we rise and we fall  
G D/A  
We re plotting our course through the waves  
A D A  
Some masts are tall with sails so strong  
G D/A  
Others are tossed in the gale  
A D A  
We try to stay dry with salt in our eyes  
G D/A  
No moment to rest or complain  
A D A  
The moon isn t far a clear sky and stars  
G D/A  
Red sky at morn on your tail

G D G A  
I m not going to stand on the end of the pier  
G D A  
I m not going to let you go down with the ship  
G D G A  
Raise up your anchor it s time to set sail  
A D  
And I m not going to let you go down

A D A  
Like ships we were made to dance o er our graves  
G D/A  
One false move and we could be thrown  
A D A  
Buried alive before our due time  
G D/A  
To rest at sixty below  
A D A  
So jibe while you can if there s danger ahead  
G D/A  
Stay on your course if you will  
A D A  
I ll throw you a line as waves start to rise  
G D/A  
Bail as your ship starts to fill
