

Long Way Home
Enter the Haggis

Bagpipe Intro: **A**
Intro: **A D A E A**
A D A E

A
I feel I ve wandered
D
For most of my years
A
Taken some wrong turns
E
They all brought me here
A
If the road is a body
D
Then a home is the soul
A **E**
I think I can make it
A
But it s a long way to go

A
I ve seen country and city
D
And I ve made them both mine
A
Now the red lights are blurry
E
Between these white lines
A
Can t say I regret it
D
But it s taken its toll
A **E**
I think I can make it
A
But it s a long way to go

D
It s a long way to go
A
It s a long way to go
D

It s a long way to go

A

It s a long way

A

It s a loooooong way to go

E

A

It s a long long long way home

A

Now I stand on your front porch

D

Staring back at the rain

A

Guess I should have called first

E

But it s just not my way

A

This suitcase of memories

D

Is all I have to show

A

E

I think I can make it

A

But it s a long way to go

D

It s a long way to go

A

It s a long way to go

D

It s a long way to go
