Real Life/Alibis

capo 3rd

Intro: **C F C F**

Verse 1:

C **C7**
Saturday morning a while before daylight Iâ€™m
F **C**
Lying here hoping for rain
Gm **F** **C**
By tomorrow I could be anywhere
C **Gm**
Passing streetcars alive without breathing
F **C**
Iâ€™m lost in the city again
Bb **F** **C**
Without a purpose I canâ€™t believe anything

Pre-Chorus:

F **Am**
And I know itâ€™s not my place
G **C**
To be asking these questions
F **C**
but I canâ€™t just chase
Bb **F**
every world that I see because

Chorus:

C **F**
This isnâ€™t real life
C **G** **Em** **Am**
This isnâ€™t happening
Dm **Am**
Seems so believable
G **C**
But itâ€™s not the real thing
F **C**
This isnâ€™t real life

G **Em** **Am**
 Itâ€™s just some enormous lie
Dm **F** **G** **C**
 And I know Iâ€™ll be fine this isnâ€™t real life

Verse 2: (see above chords)

Such a mystery
 Am I supposed to believe these illusions are real
 Out of focus, step out of character
 Into a world I can feel
 Maybe itâ€™s only a sense of propriety
 Keeping us grounded at all
 Or weâ€™d run screaming
 Into the morning and out of control

Pre-Chorus 2:

G **F** **C** **G**
 Maybe I can find some piece of a world I can handle
Em **F** **G**
 Or a common line, any one sign
E7 **A**
 All a part of me

Chorus 2:

A **D** **A**
 This isnâ€™t real life
E **C#m9**
 This isnâ€™t happening
 F#m **Bm**
 Seems so believable
 F#m **E** **A**
 But itâ€™s not the real thing
 Dm **A**
 This isnâ€™t real life
 E **C#m9**
 Itâ€™s just an enormous lie
 F#m **Bm** **D** **E**
 And weâ€™ll be fine if we can find a real life
