

Ben Robin Pasly
Enter the Worship Circle

This song is actually called I Will Not Forget You. It won't let me change it.

Got these tabs right from the tutorial vid that Ben and Robin put up on youtube.

The names might be wrong, but the finger positions are what Ben plays on the guitar.

NOTE: Ben hammers on the G string for every chord except C, where he hammers on the D string. I don't do this when I play and it sounds great so whatever works for you.
