E

Arise, O Lord, Deliever me. O my God

C#m

Strike all my enemies upon the jaw, quite their cause cause

E

they would have me on the auction block, all locked up

C#m

And tie down all that I would have with in, with chains begin to end

A

My freedom, freedom, freedom

B

freedom, freedom, freedom

(**E E/D# C#m B A**)

Watch over me when I am sleeping

Watch over me when I am waking

Watch out for me my mind is spinning

Watch out for me bring peace with in me

(Volta a base E e C#m Continua na mesma levada do início)

Dig down and lift me up again, and up again

Dig down and lift me up again, up again

Dig down and lift me up again, and up again

Dig down and lift me up again, up again

to freedom, freedom, freedom

Freedom, freedom, freedom
