Intro:

D

Verse:

D **A**
It s not the way you lounge around in T-shirts

Bm **F#m**
It s not the way you smile when you sleep

Em G **D** **A**
I m getting older, and you re getting better

Bm **F#m**
And everyday I wonder if you keep

Pre-chorus:

Em
The thrilled sensation of loving me

A
It s so good having you around and we...

Chorus:

D **A** **C** **G**
Just take it day by day, we make it last all night

D **A** **C** **G**
Whatever I say you say alright

D **A** **C** **G**
No one s shaken, baby no one cries

F#m **Em** **Asus4** **A**
And there s nothing inside to loosen the bite

Verse:

D **A**
When I m alone I m still pretty happy

Bm **F#m**
Cause I have you to think of at night

Em G **D** **A**
And though I don t know the meaning, I still say I love you

Bm **F#m**
And though I don t understand, the words just sound right

Pre-chorus:

Em
Under my arm, cruisin to your door

A
Tonight it s over I ll be back for more

Chorus:

D **A** **C** **G**
We ll take it day by day, we make it last all night

D **A** **C** **G**
Whatever I say you say alright

D **A** **C** **G**
No one s shaken, baby no one cries

F#m **Em** **Asus4** **A**
And there s nothing inside to loosen the bite
