

A Moment Lost

Enya

Verse:

B F# E B
It s only now when words are said
F# B A C#m F#
That break my heart in two,
B F# E B
I wonder how you can endure
C#m F# C#m F# B
All I ve said, all I say to you.

B F# E B
How strong, how brave, how true of you
F# B A C#m F#
To bear the hurt I gave.
B F# E B
I know it tears your heart in two:
C#m F# C#m F# B
All I ve said, all I say to you.

Chorus:

E B E B D#m
After all the words are said,
G#m D#m E F#
After all the dreams we made;
E B E B D#m
Every one a precious one,
G#m D#m E F#
Every one a summer sun...

B F# E B
A moment lost, forever gone,
F# B A C#m F#
Can never be again,
B F# E B
So know how much it means to me;
C#m F# C#m F#
All you said, All you gave,
C#m F# B
All your love to me
