Floras Secret Enya

B C#m

Lovers in the long grass

F#7 B Emaj7

Look above them

F#

Only they can see

B F# B

Where the clouds are going

C#m

Only to discover

F#7 B Emaj7

Dust and sunlight

F# B

Ever make the sky so blue

E F# D#m G#m E C#m F#

Afternoon is hazy
River flowing
All around the sounds
Moving closer to them
Telling them the story
Told by Flora
Dreams they never knew

Silver willows
Tears from Persia
Those who come
From a far-off island
Winter Chanterelle lies
Under cover
Glory-of-the-sun in blue

Some they know as passion
Some as freedom
Some they know as love
And the way it leaves them
Summer snowflake
For a season

Emaj7 F# B

When the sky above is blue When the sky above is blue
