tabbed by North Georgia Boy

1.

D G D A D A  
My life flows on endless song above earth's lamentation

D G D A D  
I hear the real, though far off hymn...that hails a new creation

A D A  
Through all the tumult and the strife...I hear it's music ringing

D G D Bm A D  
It sounds an echo in my soul, how can I keep from singing?

2.

**D** **G** **D** **A** **D** **A**

What through the tempest loudly roars, I hear the truth, it liveth

**D** **G** **D** **A** **D**

What though the darkness round me close, songs in the night it giveth

**A** **D** **A**

No storm can shake my inmost calm...while to that rock I m clinging

**D** **G** **D** **Bm**

Since Love is Lord of heaven and earth, how can I keep from singing?

3.

I lift my eyes, the cloud grows thin, I see the blue above it

And day by day this pathway clears, since first I learned to love it

The peace of God restores my soul, a fountain ever springing

All things are mine since I am loved...how can I keep from singing?
