

Only If  
Enya

CAPO 3rd fret!!

C ~                    F                    G                    C  
When there s a shadow near, reach for the sun,  
                         F                    G                    C  
when there is loving here, look for the one.  
                         F                    G                    C  
And for the promises, there is the sky,  
                         F                    G                    C  
and for the heavens are those who can fly.

CHORUS:

                         F                    G                    C  
If you really want to, you can hear me say,  
                         F                    G                    C  
only if you want to will you find a way.  
                         F                    G                    C  
If you really want to you can seize the day,  
                         F                    G                    C  
only if you want to will you fly away.

INTERLUDE:    Am - Em - F - G            Am - Em - F - G - F - G

C ~                    F                    G                    C  
When there s a journey to follow the star,  
                         F                    G                    C  
when there s an ocean to sail to far.  
                         F                    G                    C  
And for the broken hearts there is the sky,  
   G                    C  
and for tomorrow are those who can fly.

CHORUS:

                         F                    G                    C  
If you really want to, you can hear me say,  
                         F                    G                    C  
only if you want to will you find a way.  
                         F                    G                    C  
If you really want to you can seize the day,  
                         F                    G                    C  
only if you want to will you fly away.
