Making Me Love You
Epic Hero

So i m not 100% sure on this so if you guys have any suggestions please
submit...i kinda
did my best to figure it out since no one else had put the chords up...so here
it is
enjoy :D

F#
And i m tired of the mainstream
B
And i feel like and outcast
D   **E**
And i don t fit inside your perfect beautiful routine
F#
there s a ghost in my closet
B
caffeine in my bloodstream
D   **E**
my tell-tale heart don t have a chance with you

Chorus

F#
cause you say what you say
B
But your mind s made up
D   **E**
cause you re leading me on and you know it
F#
I play all your games
B
But i know the score
D   **E**
and i hate you for making me love you

Verse 2 (same as above)
Thereâ€™s a word to describe this
Some might say that itâ€™s hopeless
And I canâ€™t help thinking you just hurt me out of boredom
Iâ€™m a pawn in your kingdom
Make your move, because Iâ€™m ready
I can feel you breathing, feel you turn inside my soul

chorus

D   **E**
there s a fine line between
D   **F**   **C**

```
comedy and tragedy suffering and ecstasy
D                      E
the truth just keeps marching on
D
grabbing hold of all of me
F
i m strung for all the world to see yeah

chorus

if you have any corrections feel free to correct me...thanks. -Cris
