C# F# A C#

Trying define eternity

F# A

No beginning and no end

C# F#

A world upside down

A C#

Countless clouds on the ground

F# B

I m my feeling, my love, my imagination

Refrão:

A F# C#

Hunt for tricks of light

B A F# C#

Clouds painting colorful dimensions

C# F# A C#

If we could roll through fantasies

F# A

No more dusk and no more doubt

C# F# A C#

Every little gray of sand shapes the endless land

F# B

We are showing limited less reflections

Refrão:

A F# C#

Hunt for tricks of light

B A F#

Clouds painting blue dimensions

C# B

You can make our times less still

A F# C#

Come and bring the sky

B A F# C#

Flying with wings of true emotions

F# D

And this time again it won t be the same

A B

Silent symphony playing eternity

F# D

Every step I take every upon a break

C# B

Every memory share a symphony

(F# D A B)

(F# D C#)

A C#

Hunt for tricks of light

B A F#

Clouds painting blue dimensions

C# B

You can make our times less still

A F# C#

Come and bring the sky

B A F# C#

Flying with wings of true emotions

C# F# A
