

Oh God  
Era Istrefi

[Intro: Konshens]

Dm C Gm C 2x

[Verse 1: Era Istrefi]

          Dm                          C  
I like it when you re vocal  
          Gm                          C  
Speaking over my body  
          Dm                          C  
Treat it like a temple  
          Gm                          C  
Boy, this ain t no novelty  
          Dm                          C  
And don t be telling no one  
Gm                          C  
We don t need no NDA  
          Dm                          C  
No, we don t need no NDA  
          Gm                          C  
Cause I like what you have to say

[Pre-Chorus: Era Istrefi]

  Dm C  
When we drowning out the radio  
  Gm C  
When I m going down  
  Dm C                          Gm C  
And you re working up my ego with every sound

[Chorus: Era Istrefi]

  Dm                          C                          Gm C  
You make me feel like a God when I hear you say
