

Kilimanjaro

Era

F#m

Don t say you wanna a better world

E

Don t say you wanna a better life
When all you do is watch TV

D

And listen to the promisses

F#m

Don t say you wanna a better world

E

Don t say you wanna a better life
When all you do is just rely

D

on the progresses of science

D

B

Don t say another word, just let me dream

- - - Refrão

A

And look outisde

E

where the wind blows and the flowers grow

F#m

Where the river goes

D

Taking my dreams away

A

Just let me go

E

Where the rain falls and the forest cries

F#m

D

Since there will be no more snow in Kilimanjaro

- - -

F#m

Don t say you wanna a better world

E

Don t say you wanna breath clean air
When all you do is drive around

D

In your brand new SUV

F#m

Don t say you wanna a better world

E

For all the children of mankind
When all you do is just rely

D

on the progresses of science

D

B

Don't say another word, just let me dream
