

**Pare Ko**  
**Eraserheads**

[Verse]

Lift your head, baby don t be scared  
Of the things that could go wrong along the way  
You ll get by, with a smile  
You can t win at everything but you can try

[Chorus 1]

Baby you don t have to worry, coz there ain t no need to hurry  
No one ever said that there s an easy way  
When they re closin all their doors, and they don t want you anymore  
This sounds funny but I ll say it anyway
