Breathe, and I breathe
 Dm-Am-F-G
 It s bitter without you I can t live without you
 And I m in love with you

 Stood the test of time
 Though I treated you rough you were always kind
 I let my head rule my heart now I m feeling so lonely
 And I feel it s the deal
 You re letting me go gonna go

 Bridge:

Strum the chords:

C-Am-Dm-F-G

 Repeat all over again...

Breathe and I breathe
 Hollow without you I can t live without you
 And I m in love with you

Breathe I believe
 Empty without you I can t live without you
 And I m in love with you

Breathe, and I breathe
 It s bitter without you I can t live without you
 And I m in love with you

Breathe I believe
 Empty without you I can t live without you
 And I m in love with you

Breathe I believe
 I can t live without you I can t live with you
 And I m in love with you..
