

Dont Say Your Love Is Killing Me
Erasure

C **G**
My eyes are closed

Am **F**
And I ve nothing more to say

C **G** **Am** **F**
But I was so williiiiiiiiing to give it all away

C **G**
And what a show

Am **F**
I ve loved you all I could

C **G** **Am** **F**
When will I see youuuuuuu, is nothing understood?

G **F** **G** **F**
You thought I was stupid, but now I stop at nothing (I stop at nothing)

G **F** **G** **A**
I thought you were better but love s gonna take a man

D
Yeah, love s gonna take a man

G **Em** **C**
Don t say your love is killing me

D **G**
You know how much it means to me

Em **C**
I too have feelings deep inside

C **G**
But would not hurt your foolish pride

Interlude: **C Bm Am**

C **G**
Heaven only knows

Am **F**
At your every turn a scandal

C **G**
But how does it suit youuuuuuu

Am **F**
When it s all too much to cope with?

G **F** **G** **F**
You thought I was nothing before you stepped into my life (stepped into my life)

G **F** **G** **A**
I thought you were clever, but love s gonna take a man

D
And you haven t got it in you
