

Dont Say Your Love Is Killing Me
Erasure

A **E**
My eyes are closed

F#m **D**
And I ve nothing more to say

A **E** **F#m** **D**
But I was so williiiiiiiiing to give it all away

A **E**
And what a show

F#m **D**
I ve loved you all I could

A **E** **F#m** **D**
When will I see youuuuuuu, is nothing understood?

E **D** **E** **D**
You thought I was stupid, but now I stop at nothing (I stop at nothing)

E **D** **E** **F#**
I thought you were better but love s gonna take a man

B
Yeah, love s gonna take a man

E **C#m** **A**
Don t say your love is killing me

B **E**
You know how much it means to me

C#m **A**
I too have feelings deep inside

A **E**
But would not hurt your foolish pride

Interlude: **A G#m F#m**

A **E**
Heaven only knows

F#m **D**
At your every turn a scandal

A **E**
But how does it suit youuuuuuu

F#m **D**
When it s all too much to cope with?

E **D** **E** **D**
You thought I was nothing before you stepped into my life (stepped into my life)

E **D** **E** **F#**
I thought you were clever, but love s gonna take a man

B
And you haven t got it in you
