

Star
Erasure

Intro : (B F#)

F# **B**
We go waiting for the stars

F# **B**
To come showering down

F# **B**
From Moscow to Mars

F# **B** **F#**
Universe falling down

B **F#**
You got to look real hard

There s a fiery star

B
Hidden out there somewhere

F#
Not the satellite of love

But a laser

B
Shooting out its shiny tongue there

F#
God is love, God is war

B
TV preacher tell me more

F#
Lord redeem me am I pure?

B
As Pure as pure as heaven

F#
Sent you money sent you flowers

B

Could I worship you for hours

F#

B

In whose hands are we anyway?

F#

B

We Got waiting for the stars

F#

B

To come showering down

F#

B

From Moscow to Mars

F#

B

F#

Universe falling down

B

F#

You got to look real hard

There s a frery star

B

Hidden out there somewhere

F#

Not the satellite of love but a laser

B

Shooting out its shiny tongue there

B

You got to look real hard

F#

Is it in your heart

B

Yeh, it s in there somewhere

F#

the power wrapped in your palm

Show in to me

B

Hit them with your wrath and thunder

F#

What s your pleasure ?

B

Tell in to me how did he know ?

Show your beauty

F#

In you somewhere, somewhere in me

B

Pure as pure as heaven

F#

Sent you money, sent you flowers

B

I could worship you for hours

F#

In whose hands are we anyway

B F# SOLO (B F# B E F#)

Yeeha

B

A

Rolling along through a rose

E

Coloured glow e-chords.com

F#

B

The city looks pretty in pink

F#

Armageddon is here !

B

Did you ever have a lover

F#

Leave you for another

B

And take your love and kisses for granted

F#

Never to discover war is not the answer

B

Leave you only disenchanted

F#

God is love God is war

B

Tv a preacher tell me more

F#

Lord redeem me am I pure ?

B

As pure, as pure as heaven

F#

Sent you money sent you flowers

B

I Could worship you for hours

F#

In whose hands are we anyway ?

B F#

We got waiting for the stars

B F#

To come showering down

B F#

From Moscow to Mars

B F#

Universe falling down...
