Still Its Not Over
Erasure

 [Intro]
Cm Gm Dm   2x

[Verse]
      Cm
We crossed our hearts and never hoped to lie
          Gm   **Dm**
For the ghosts along The Castro were just walking by
            Cm
We went back to scratch and had to start again
          Gm   **Dm**
Like a ring of roses everyone was falling down

[Pre-Chorus]
             Eb
We made a miracle
      F
We had to come up with a cunning plan
              Dm
A time for quiet contemplation
  F
Dying on the steps of City Hall

[Chorus]
        Bb
They turned on love and turned their backs
        Bb
And left us to a sheer attack
        F
And I m not really pleased with that
          F
And still it s not over
          Bb
The universe is big enough
          Dm
And there s room for the two of us
        F
And ignorance it isn t bliss
          F
And words they can t hurt me

[Verse]
        Cm
They held us all in very low esteem
      Gm   **Dm**
We had to fight for our right, had to steal the scene
        Cm

```
It felt so right to see the rebels run
    Gm                                    F
Because we know that something good was being done

[Pre-Chorus]
              Eb
But you never gave a damn
      F
We had to come up with a cunning plan
          Dm
We were fighting for survival
      F
We had to look the Devil in the eye

[Chorus]
        Bb
They turned on love and turned their backs
      Bb
And left us to a sheer attack
      F
And I m not really pleased with that
        F
And still it s not over
        Bb
The universe is big enough
         Dm
And there s room for the two of us
      F
And ignorance it isn t bliss
        F
And words they can t hurt me
        Bb
They turned on love and turned their backs
      Bb
And left us to a sheer attack
      F
And I m not really pleased with that
        F
And still it s not over

[Interlude]
Cm Gm Dm      2x

          Eb
