Eric Andersen Is It Really Love At All written by Eric Andersen

record in C# please post any corrections

**D**

Sitting here forgotten like

**Em A Asus A**

A book upon a shelf

**D**

No one there to turn the page

**Em A**

You re left to read yourself

**Em D D/C# Bm**

Alone to sit and wonder just how the story ends

**Em**

Cause no-one ever told you child

**Asus A**

You gotta be your own best friend

**D**

Sunny days cloudy days

**Em A Asus A**

Always seem the same

**D**

If love were made of clouds I

**Em A**

Almost wish that it would rain

**Em**

Even when the skies are clear

**D D/C# Bm**

The weather s always blue

**Em Asus**

Every day would be nice If I had

**Asus**

Someone I could come home to

**D Bm Em A D Bm**

Love is it really love at all

**Em A F#m Bm**

Or something that I heard love called

**Em A D Bm Em A**

Something that I heard love called

**D**

Now life can sometimes slip away

**Em A Asus A**

And love can pass you by

**D Em A**

If only it had been another place another time

**Em D D/C# Bm**

Maybe there ll be someone who likes to see you smile

**Em**

Who will want to stay with you

**Asus A**

And be your friend for a little while

**D**

Then wake up in the morning

**Em A Asus A**

Feeling so alive

**D**

Something you can hold on to

**Em A**

Not a shadow by your side

**Em**

I guess that there ll be time to talk

**D D/C# Bm**

Of things that we ve been through

**Em**

That special time when all is real

**Asus A**

To feel reborn when love is new

**D Bm Em A D Bm**

Love is it really love at all

**Em A F#m Bm**

Or something that I heard love called

**Em A D Bm Em A**

Something that I heard love called

**D**

Then sundown comes around again

**Em A Asus A**

You find yourself alone

**D Em A**

Wander through a sea of eyes but always on your own

**Em D D/C# Bm**

Was it really all you thought that it was suppose to be

**Em**

Or are you just another face

**Asus A**

In someone s fading memory

**D Bm Em A D Bm**

Love is it really love at all

**Em A F#m Bm**

Or something that I heard love called

**Em A** **D Bm Em A D**  
Something that I heard love called
