Here s a nice tune by Eric Andersen off his Stages: The Lost Tracks album.
Solo guitar accompaniment won t quite capture all the beauty of this one,
without the piano, mandolin, and nice harmonies by Shawn Colvin on
the actual recording.

MAKE IT LAST

(Eric Andersen)

Guitar: Capo III

verse 1:

C **G** **C**

This highway rolls forever
 F **G** **C**
But I m comin home at last

Refrain:

C **G**
Make it last
 F
I want to feel the mornin come

C G
 Make it last
F G
 I want to see the mornin sun
C
 I want to fly
F
 Like an angel in the wind
C G
 Make it last
F G C
 til I m in your arms again

verse 2: (same chords as verse 1)

By the highway is a diamond
 Glowin in the night
 All along the dark horizon
 First sign and crack of light
 Up the road I see a hotel
 Better pull in off the line
 Tomorrow seems forever
 But I ll make it home on time

Repeat refrain.

Am C
 Ridin neath the shotgun moon
F Dm7
 The clouds watch from above
C G
 The things we do to keep this life
C F
 The things we do for love
Am C
 The chain they call the highway
F Dm7
 Can nail you like a stone
C G
 What I wouldn t do to have one hour
F G C
 To be with you alone

Repeat refrain.

Up ahead I see a woman
 I can see her silhouette
 It s 4 am, the lights are out
 I can see the empty bed
 She s starin out the window
 She puts out a cigarette
 The night rolls on forever
 Like the prairies in the West

Repeat refrain.
