Eric Andersen Violets Of Dawn written by Eric Andersen

D **G** **D** **G** **D G**

Take me to the night I m tippin topsy turvy turning upside down

D **G** **D**

Hold me tight and whisper what you wish

G **D**

For there is no one here around

G **A**

Oh you may sing song me sweet smiles

D **G** **A**

Regardless of the city s careless frown

D **G**

Come watch the no colors fade blazing

D **G** **D G**

Into pedal sprays of Violets of Dawn

D **G**

In blindful wonderments enchantments

D **G** **D G D**

You can lift my wings softly to fly

D **G** **D**

Your eyes are like swift fingers reaching out

G **D**

Into the pockets of my night

G **A** **D** **G**

Whirling twirling puppy warm before the flashing cloaks of darkness

A

gone

D **G**

Come see the no colors fade blazing

D **G** **D G**

Into pedal sprays of Violets of Dawn

D **G**

Some prince charming I ll be

D **G** **D G**

On Two white steeds to bring you diamond crowns

D **G**
 And climb your tower sleeping beauty
D **G** **D**
 Before you ever know I've left the ground
G **A** **D** **G** **A**
 You can wear a Cinderella Snowwhite Alice Wonderland gown
D **G**
 Come watch the no colors fade blazing
D **G** **D G**
 Into pedal sprays of Violets of Dawn
D **G** **D**
 But if I seem to wander off in dream like looks
G **D G**
 Please let me settle slowly
D **G** **D**
 It's only me just staring out at you
G **D**
 A seeming stranger speaking holy
G **A** **D** **G** **A**
 I don't mean to wake you up it's only loneliness just coming on
D **G** **D**
 So let the no colors fade blazing into petal sprays
G **D G**
 Of Violets Of Dawn
D **G**
 Like shadows bursting into mist
D **G** **D G**
 Behind the echoes of this nonsense song
D **G**
 It's just chasing whispering trail
D **G** **D**
 Of secret steps see them laughing on
G **A** **D** **G** **A**
 There's magic in the sleepiness of waking to a childish sounding yawn
D **G**
 Come watch the no colors fade blazing
D **G** **D G D**
 Into pedal sprays of Violets of Dawn
