What You Want
Eric Bellinger

It s all the same after the first verse and chorus. Enjoy! :)
C#
I would never hurt you
                              G#
I would never do that no
Eb
But if I ever hurt you
                       Fm
Wouldn t be intentional ,no
                C#
All I wanna do is make you smile
                G#
All I wanna do is settle down
     Eb   **Fm**
With you and nobody else
                           C#
Ain’t that what you want to hear
                           G#
Ain’t that what you want to hear
                    Eb
We can go where you wanna

Do what you wanna

Whatever you wanna
Fm
Anything you wanna

[Bridge: Eric Bellinger]
                           C#
Ain’t that what you want to hear
                           G#
Ain’t that what you want to hear
        Eb
’Cause if that’s the case girl
                      Fm
We can settle this right now
             C#
Baby if I had you
                                    G#
Tell me what would that mean with somebody else
          Eb   **Fm**
I do whatever I gotta do to get you to myself
                C#
Girl If I had you
                                    G#
Tell me what that would mean with somebody else

```
          Eb                                           Fm
I do whatever I gotta do to keep you to myself
                          C#
Ainâ€™t that what you want?
G#
Sounds good (I bet it do)
Eb
Sounds good (girl itâ€™s supposed to)

Sounds perfect baby
      Fm
It sounds alright with me (Iâ€™m glad it sounds alright)
C#
Sounds good (to you)
G#
Sounds good
Eb
Sounds perfect baby
      Fm
It sounds alright with me
```

[Verse 2: Eric Bellinger]
If you say yes girl
I would never lead you on
I would tell the world
When I wanna keep it on the low
All I wanna do is make you smile
All I wanna do is settle down
With you and nobody else

[Bridge]

[Verse 3: Treasure Davis]
Baby if you do me right
I would never do you wrong
If I give you my heart
Boy dont break it
Girl I treat you right
Iâ€™ll never do you wrong
If you give me your heart
I wonâ€™t ever break it
