(Capo 2nd fret)

This song is all finger picking and harmonies. The chords I have written are the very

basic melody to the song. You will definitely need to listen to the CD to get the finer

harmonies and arpeggios that Eric plays.

Intro

C, C/G, F9

Verse 1

C	B	Am	C
Folks stumble and fall, ain t nothing new at all			
F	G	C	
Just keep up with new way s of going down			
C	B	Am	C
Weather your poor or rich, at the bottom of a ditch			
F	G	C	
You can finally see the light and turn your life around			

Chorus

C	F	C	F
Shingle by shingle, I m patching up the roof			
C	F	G (F shape on 5th Fret)	
Row by row, bringing in the crop			
C	F	A	
Love makes a change, I m living the proof			
F	G	F	G
			C

New water s in the well and I m grateful, for every drop

Verse 2

I ve had my share of debts, some regrets

I m leaving all that behind and moving on

I thank God the day I can truly say

My souls dark night has turned to dawn
