

Dedication Day
Eric Bogle

DEDICATION DAY
ERIC BOGLE

NOTE:

CAPO 1ST FRET , all chord positions are relative to capo.

Eg. G= G# D=Eb C=C#

Key of G#

I think? Eric plays it in 4/4 timing, but 3./4 timing works well also. Before you come into the first try creating a little run on the C chord I tend to do something like pick the B string then the G , D pulloff a hammer-on , G ,D pulloff. Just anything that will lead you into the first verse.
