

Boats Against The Current
Eric Carmen

Boats Against The Current

G **Bm**
I know it s over, you know it s over
C **G**
We re just goin through the motions
Am **B7** **Em**
But we re sailin separate oceans worlds apart
G **C**
And you know it s breakin my heart

G **Bm**
I was a dreamer, you were a dreamer
C **G**
But perfection is consuming
Am **B7** **Em**
And it seems we re only human after all
G **C**
And we ve both been takin the fall

Chorus:

Bm **Em**
But tomorrow we ll run a little bit faster
C **D** **Bm** **Em**
Tomorrow we re gonna find what we re after at last
C **F#sus4** **G** **D**
Feelings that we left in the past, there s romance in the sunset
C **D** **G**
We re boats against the current to the end

Maybe we re older, maybe we re colder
So we disregard solutions
While we cling to our illusions once again
And we keep rememberin when

Seasons are changin , reasons are changin
But the story isn t ending
So we find ourselves pretending one more day
While the years keep slippin away

Chorus
