A lot of empty words that I ve already heard ain t gonna work tonight
A **D**
Don t wanna talk about it anymore cause that ain t gonna make things right
G
So now you re back again, you say it s not too late to give it one more try
E **A** **A7**
Well, I don t wanna hear your lies, no, I don t wanna hear your lies no more

Chorus:

D **A** **Em** **Bm** **Gmaj7** **A**
I ve got to find a way, I know, to let you go cause it hurts too much
D **A** **Em** **Bm** **Gmaj7** **A**
You say you ll never leave and then, you re gone again, it hurts too much
Bm **G** **D** **Bm**
It hurts too much, my love, I ve heard it all before
G **D** **A** **D**
I ve got to tell you no, no, no, it hurts too much

You know I tried so hard I spend so many nights waitin for the phone to ring
But it s over now and I m afraid I don t feel much of anything
You say you want my love, you ve played around enough but now I can t forget
Well, honey there s nothing left, I ain t got nothin left at all

Chorus

G **A7** **Bm**
Just when I thought I d gotten over you I hear you knockin at my door
G **A** **A7**
After everything you ve put me through, you know I just can t take it anymore
You say you want my love, you ve played around enough but now I can t forget
Well, honey there s nothing left I ain t got nothin left at all

Chorus
