

Sunrise

Eric Carmen

Sunrise

C **Em** **F** **Dm G**
Sunrise, shine down a little love on the world today
C **Em** **F** **Dm E7**
Make a morning so sweet that it ll have to chase my blues away
Am7 **C** **F** **D7**
Oh, the moon and stars have gone and I can see the light of dawn
C **Am** **Dm** **G** **C** **G** **F**
Like a golden smile brightening up the brand new day

Sunrise, come wrap me in the warmth of your crimson sky
I spent a long time believin in a dream that had passed me by
But the moon and stars have gone and I can see the light of dawn
Like a golden smile brightening up the morning sky

Bbm **D#** **Bbm**
From my bed I can hear the world outside
D#
I get up, throw my window open wide
Cm **Fm**
Take a breath of that fresh air
C# **F#** **G** **Em**
Take a breath of that fresh air, fresh air

Verse 1 +

G# **Fm**
Brand new day

C **D#** **Bb** **F** (repeat many times)
