

Carolina

Eric Church

Chords/Progression is the same throughout the whole song except for pre-chorus.
Very easy. E-mail me cpweiss@indiana.edu for questions/corrections.

C **Am** **F** **G**
There s a cabin in a valley,
My grandpa built on your land.
Your mountains are a canvas,
For the makers hand.

Tonight I m fishing Elk River,
If only in my mind.
No, I haven t seen her banks in such a long, long time.

Am **F**
I carry you in my heart
Am **F** **G**
your memory comes over me like the dark and

(Refrain)
Like a phone call from my baby,
Sayin honey I miss ya like crazy.
Like the sound of a siren song,
Oh Carolina, keep callin me home.
Callin me home.

Sometimes I grow weary,
From goin all the time.
I love to take a minute,
Let you ease my mind.

I d love to see my mama
Maybe go for a drive
But I gotta play the star in some little town again tonight

Don t get me wrong
I love what I do
It s just another song about missing you

(Refrain)
Callin me home
Callin me home
Callin me home, yeah

Oh, oh, we re almost home

Like a phone call from my baby
Sayin honey I miss ya, I miss ya like crazy
Just like the song of a siren song

Oh Carolina,
Carolina,
Carolina,
Keep callin me home,
Callin me home,
Callin me home,
Callin me home

Carolina,
Carolina,
Keep callin me home.
