

Creepin
Eric Church

Just listen to it to get the strumming pattern down. Not 100% correct, but once you play it, it sounds pretty good.

Capo 3rd

[Intro] **A-G-D-A** x 4

[Verse]

[**A**] Like a honey bee beatin on my screen door
I got a little buzz and my head is sore
From my bed I can feel the sun
Lord I hear the mornin come
Just a creepin , creepin , creepin

[Verse]

[**A**] You shot outta here like a bullet from a gun
A flick of the switch, a thief on the run
Since the day you left me baby
I can feel the lonely, I can feel the crazy
Just a creepin , creepin , creepin

[Chorus]

[**A**] You head for the future, [**G**] run from the past
[**D**] Hide from the mirror and [**A**] live in a glass
[**A**] What dreams forget, [**G**] the whiskey remembers
[**D**] Kinda like molasses in [**A**] late December
Just a [**A**] creepin , creepin , creepin

[Verse]

[**A**] Your cocaine kiss and caffeine love
Got under my skin and into my blood
That need you back comes over me
Like ivory crawlin up a hickory tree
Just a creepin , creepin , creepin

[Chorus]

[**A**] You head for the future, [**G**] run from the past
[**D**] Hide from the mirror and [**A**] live in a glass
[**A**] What dreams forget, [**G**] the whiskey remembers
[**D**] Kinda like molasses in [**A**] late December
Just a [**A**] creepin , creepin , creepin

Break it [**A**] down, down, down...

[Verse]

[**A**] Just last night I saw the light
At the end of that tunnel on the other side

Thought I found my way out of this pain

[G] Only to find your memory train

[A] Creepin , creepin , creepin

[Outro] **A-G-D-A** x 2
