

Faster Than My Angels Can Fly
Eric Church

Faster Than My Angels Can Fly
Written by Eric Church & Michael P. Heeney
Recorded by Eric Church
Edited by Jake Nelson

(Capo on 3)

Intro.: |(G#) |(G#) |(G#) |(C#7) | x 3 (youll catch on to the rhythm after
listening
to the song and some practice)

(G#)Momma used to teach and Preacher used to preach, there s angels watching
over (C#7)me
They re (G#)here to shield you, so you dont yield to the devil, when your soul
gets (Eb)weak
But they re (G#)hard to hear when you re jamming gears, and they re (C#7)always
hanging (G#)back
Yeah, they try to chase but if they wanna save me, they (Eb)better step on the
gas

(Chorus)

Cause I m living (G#)faster than my (C#7)angels can (G#)fly
Yeah, I ve been (C#7)wearing the (Eb)wings off (G#)mine
I m bound to die living life faster than my (Eb)angels can (G#)fly
Yeah, faster than my (Eb)angels can (G#)fly

Inst.: / / / |(G#) |(G#) |(C#7)

There s (G#)days I regret this hitch in my step, and scars on my boots and (C#7)
)hands
All those (G#)times I ve rushed to get grewed up in a hurry to become a (Eb)man
And the (G#)promises I made and the hearts I break (C#7)all in the name of (G#
)fun
Yeah, I apologize, but I ve got no time for no (Eb)tie me up slow me down love

(Chorus)

Cause I m living (G#)faster than my (C#7)angels can (G#)fly
Yeah, I ve been (C#7)wearing the (Eb)wings off (G#)mine
I m bound to die living life faster than my (Eb)angels can (G#)fly
Yeah, faster than my (Eb)angels can (G#)fly

(Bridge)

Yeah, (Fm)I m slowed down, I ain t (C#)what I was
Still they ain t (G#)got a prayer of ever (Eb)catching up
Cause I was born to run, born to run, born to run

Inst.: |(G#) |(G#) |(C#7) |(G#) |(G#) |(G#) |(G#) |(G#) |

(Chorus)

(**G#**)Faster than my (**C#7**)angels can (**G#**)fly

Yeah, I ve been (**C#7**)wearing the (**Eb**)wings off (**G#**)mine

Yeah, I m bound to die living life faster than my (**Eb**)angels can (**G#**)fly

Yeah, faster than my (**Eb**)angels can (**G#**)fly

Outro.: |(**G#**) |(**G#**) |(**G#**) |(**C#7**) | repeat until end (same style as the intro)
