D (4 measures)

**G A D** x2

I ll bet you the wine is fine  
And I ll bet you the diamonds are real  
And I ll bet you his house is the big one Up on the hill  
Hey, that s where he s got me girl  
And not that I blame you at all  
Now don t say you re sorry, just go and have you a ball

Cause I ain t got his kind of money  
And I probably never will  
But I got a buck that says His twenties  
And his hundred-dollar bills  
Ain t gonna satisfy you forever  
They can only buy so much  
I ain t got his kind of money  
But he ain t got my kind of love

Who s gonna bait your hook?  
Who s gonna get lost in your eyes?  
Who s gonna throw that ball that wins you the prize?

Yeah, who s gonna kiss you goodnight?  
G A D

Make it last all night long?  
G A D

Yeah, who s gonna be there when he s always gone?  
G A D
