

Homeboy
Eric Church

[Intro]

D Cadd9 G

[Verse]

D
You were too bad for a little square town,
Cadd9 G
With your hip-hop hat and your pants on the ground,
D
Heard you cussed out mama, pushed daddy around
Cadd9 G
before you tore off in his car

D
Here you are running these dirty old streets
Cadd9 G
Tattoo on your neck, fake gold on your teeth
D
Got the hood here snowed, but you cant fool me
Cadd9 G
We both know who you are

[Chorus]

D
Homeboy, youre gonna wish one day,
Cadd9 G
That you were sittin on a gate of a truck by the lake
D Cadd9 G
With your high school flame on one side, ice cold beer on the other
D Cadd9
Aint no shame in a blue collar forty, little house, little kid, little
G
small town story
D Cadd9 G
If you dont ever do anything else for me, just do this for me brother,
D
Come on home, boy.

Not worry us all to death
