

Jack Daniels
Eric Church

[Verse 1]

D **G** **D**
I got a reputation going round
G **D**
I aint never been the kind to back down
G **D**
Ive thrown a punch or two and given a few black eyes
Bm **A** **D**
But Jack Daniels kicked my ass again last night

[Verse 2]

Yeah, I hung in pretty good for a round or two
But he dont fight fair like daddy taught me to
Her memory turned my head and then he snuck up from behind
Jack Daniels kicked my ass again last night

[Chorus]

A **G** **D**
I always thought this heart was made of steel and bulletproof
A **G** **A**
But the memory of her taillights fading breaks it right in two
D **G** **D**
I guess every Superman has got his Kryptonite
Bm **A** **D**
Jack Daniels kicked my ass again last night

[Verse 3]

Yeah I didnt bleed and I aint black and blue
But it aint hard to tell who got the best of who
Cause in the morning light, Im hard to recognize
Jack Daniels kicked my ass again last night

[Chorus]

A **G** **D**
I always thought this heart was made of steel and bulletproof
A **G** **A**
But the memory of her taillights fading breaks it right in two
D **G** **D**

I guess every Superman has got his Kryptonite

Jack Daniels kicked my ass again last night

[Verse 4]

That black labels like black powder for my soul
And I feel like my heads a bomb about to blow
Hell, Im half inclined to give that fuse a light
And let Jack Daniels kick my ass again tonight
