E

Or you can keep on, keep on, keep on, keep on lookin at me that way

Yeah I can tell by the way I took your hand
And then asked you to dance
He went all John Wayne in front of his friends
And said I don t think so man
Yeah all bowed up like a loud mouth pup
Never been in a junkyard fight
But if you re gonna bark at the big dog boy
Then you re gonna get to feel the bite

Chorus 2:

Yeah so keep on lookin at me that way
That way we can move this along
I can finish sweepin her off her pretty little feet
And your buddies can carry you home
You can back off and let her dance with me
And live to fight another day
Or you can keep on, keep on, keep on lookin at me that way

Yeah I love the way the sun s comin through
And bouncin off the small of your back
Yeah I know if I call in sick today
Boss man will have a heart attack
Yeah I knew it was over when she rolled over
And said baby why don t you stay
And keep on, keep on, keep on, keep on lookin at me that way

Keep on, keep on, keep on, keep on lookin at me that,
Lookin at me that, lookin at me that way
