**F**

Or you can keep on, keep on, keep on, keep on lookin at me that way

Yeah I can tell by the way I took your hand  
And then asked you to dance  
He went all John Wayne in front of his friends  
And said I don t think so man  
Yeah all bowed up like a loud mouth pup  
Never been in a junkyard fight  
But if you re gonna bark at the big dog boy  
Then you re gonna get to feel the bite

Chorus 2:

Yeah so keep on lookin at me that way  
That way we can move this along  
I can finish sweepin her off her pretty little feet  
And your buddies can carry you home  
You can back off and let her dance with me  
And live to fight another day  
Or you can keep on, keep on, keep on, keep on lookin at me that way

Yeah I love the way the sun s comin through  
And bouncin off the small of your back  
Yeah I know if I call in sick today  
Boss man will have a heart attack  
Yeah I knew it was over when she rolled over  
And said baby why don t you stay  
And keep on, keep on, keep on, keep on lookin at me that way

Keep on, keep on, keep on, keep on lookin at me that,  
Lookin at me that, lookin at me that way
