## Lovin Me Anyway Eric Church DROP D tuning intro: G,C,D oh whoa whoa x3 No one will blame you tomorrow, If you packed your things and hit that open road, Ended up in the Bahamas, C With an address that only your momma would know Yeah I can lie and say, Αm This time I m gonna change but we both know better Chorus: G I m like a ship out on the ocean, Am Cussing the waves but loving the motion, G Chasing a star, don t always shine, Am Getting far out, falling behind, I know loving me has never been easy, I m like a wild card that s hard to play, But I wanna thank you for loving me anyway, G,C,Am,D oh whoa whoa x 3same chords for the next verse and chorus

Now the bridge:(your could either play  ${\bf D}$  continuously or play  ${\bf G}, {\bf C}, {\bf Am}, {\bf D}$  in whatever pattern)

Yeah through the ups and downs and sideways, Aww the I gotta have it my ways, Yeah the crazy nights and dog days, You kept on loving me anyway
