

Those Ive Loved
Eric Church

Eric Church picks out chords a lot so you ll have to mess around with them if you want to sound exactly like him. Other than that I m pretty sure the chords are right. Let me know if you have any questions/corrections. E-mail me cpweiss@indiana.edu.

CAPO 3

[Intro]

G, Em7, Cadd9 (x2)

[Verse]

Cadd9 **D** **G**
I remember waiting by the curb with Mr. Murphy
Cadd9 **D** **G**
When daddy picked me up from school his eyes were red
Cadd9 **D** **Em7**
We drove to the hospital in a hurry
Cadd9 **D** **G**
Where my family gathered â€™round my grandpaâ€™s bed

Cadd9
He was my best friend
G
He taught me how to fish
G **D** **Cadd9**
And I cried listening to my daddy pray
Cadd9 **D** **G**
For one of those Iâ€™ve loved along the way

G, D, Cadd9

**Don t feel like writing chords out again...same chords as first part of song

She had a ribbon in her hair the day I met her
That whole next year we couldnâ€™t get enough
After graduation she took off for Denver
And for a while we both tried to keep in touch

She was my best friend
And it broke my heart
But I donâ€™t regret the day that she became
One of those Iâ€™ve loved along the way

D
And I hope they know
Cadd9 **D**
I never wouldâ€™ve made it this far on my own

Cadd9

Cause where would we all be without those

G **D**

Fathers and mothers

Em7 **G**

Sisters and brothers

Cadd9

Friends Iâ€™ve made

Em7 **D**

Long lost lovers

Cadd9 **D** **Em7**

I wouldnâ€™t be who I am today

Cadd9 **D** **Em7**

If not for those Iâ€™ve loved along the way

Em7, Cadd9, Em7, D

Now Iâ€™m just a country boy with a guitar

Looking back down this old road Iâ€™ve been traveling on

It was never about trying to be some big star

For me itâ€™s always been about these songs

See theyâ€™re my best friends

Theyâ€™re the life I lead

And I hope theyâ€™ve put a smile on the face

Of those Iâ€™ve loved along the way

Cause I wouldnâ€™t be the man I am today

If not for those Iâ€™ve loved along the way.
