TWO PINK LINES - Eric Church

Tabbed by: Beariton3
Email: dmajor2010@gmail.com

Tuning: Drop D

I got this from a video of Eric Church playing this on his tailgate. Here is the
link: <http://www.youtube.com/watch?v=y1jCiHgmONA>

CAPO ON 3!!!

Chords used (all relative to capo):

D: 000232
G: 5x0050
A2: 002200
Bm: 004432
Bb: 222000
C: 444000
Db: 555000

So during the verse, Eric does this little riff to start each chord progression.
The
chord progression in the verse is D, G, A2, D

And to start each progression he plays this little riff before strumming the D
chord
(refer to the video if you need some help)

```
e|-----|
B|-----|
G|-----|
D|-----0---|
A|--0h2-----|
E|-----|
```

So the idea for the verse is this: Riff, D, G, A2, D, then repeat the over and
over
until the progression changes. once you have this little part down, the rest is
super easy
to get.
