Intro **G D G D**

**G**

Muddy water coming out of the sink in there

**D**

Dirty sheets up on the bed

**G**

I can t get no picture on the TV screen

**D**

I can t stand the ones up in my head

**A**

**G**

I got the air turned down to very cold

**A**

**G**

But it ain t doing a bit of good

**D**

**D/C#**

**D/B**

**D**

It ain t like there was a first resort

**G**

**A**

**D**

In this last chance for gas neighborhood

**G**

I was looking for freedom

**A**

I was looking for a good time

**D**

I was looking for a little space

**D/C#**

**D/B**

**D**

A little place that was mine all mine

**G**

I was going with my change of heart

**A**

And wanted no part of forever

**D**

I was looking for a blessing

**D/C#**

**D/B**

**D**

When I said baby, it s all for the better

**G**

**A**

Yeah what do you know, I think I wound up

**G**

Where she told me to go

Of all the places man, I broke down here

Shade tree mechanic told me, son

I can t get no parts for this here make and year

But don t worry boy, I ll get it done

Meanwhile I need to be back with her yesterday

Clock in this town don t seem to care

I m finding fast this God forsaken place  
Is at least two weeks from everywhere

I was looking for freedom  
I was looking for a good time  
I was looking for a little space  
A little place, some peace of mind  
I was going with my change of heart  
Wanted no part of forever  
I was looking for a blessing  
When I said baby, it s all for the better  
Yeah what do you know, I think I wound up

**Bm**

Where she told me to go

**A**

This place ain t on no map

**G**

But how was I to know

**D/F#**

**G**

**A**

It s everywhere that she ain t at

**G**

**G/F#**

**Em**

How did she know that I d wind up

**A**

**G D G D** (until end)

Where she told me to go
