

C
You're my refuge from the road
Bm
A safe place to go
Am D G
When I'm out here livin' on this ledge
C
And when I'm circlin' the drain
Bm
You keep my crazy sane
Am D (ring out)
And quiet all the voices in my head
G (Hammer A string)
I'm probably wrong more than I say
C D
And I'd point that out if you were that way
G (Hammer A string)
Yeah I'm hard to love and ever harder to live with
C C#m
And I know there's days when you just want to up and quit
C Bm Am
But when it comes to lovin' me
C#m G

Baby you make it look so easy

C

You're my compass when I'm lost

Bm

My anchor when I get tossed

Am

D

G

And the right way when all I can do is wrong

C

Sometimes I drink 'til I fall down

Bm

but your arms save me from the ground

Am

D

And hold me 'til all the hurt is gone

G

(Hammer A string)

I got a hard head, I was born that way

C

C#m

And that makes me wrong more than I say

G

(Hammer A string)

But I thank God you got a hard head too

C

I guess he must have known you'd need that

C#m

To get us through

C

Bm

Am

Cause when it comes to lovin' me

C

G

Baby you make it look so ea-sy

Am Bm C C#m

G

Yeah baby you..... make it look so easy

Gx3 (hammering on A string) **Am G**
